

9 Hole Rules

- Under 11s play from red tees, age 11 and over play from yellow tees.
- Swap cards on the 1st tee so you mark another players' card.
- After each hole write down their score as well as your own in the 'markers' column.
- After 9 shots on a hole you can pick your ball up and record your score as 9.
- At the end of the round add up your score and the score for 'player A'.
- Check those scores are correct and then both 'player A' and the 'marker' must sign each card.
- Completed cards to be given to Mike/ Steve or at the Sport's Centre Desk at the end of your round.
